

COFFEE FUNDRAISING PROGRAM

Fundraising is never easy. You feel like you're bugging family and friends to buy something they don't need or even want. Maybe you're spending hours collecting disgusting bottles OR even worse, you've purchased a bunch of product up front, and now have extra left that didn't get sold, narrowing your profit! Fundraising shouldn't be a hassle!

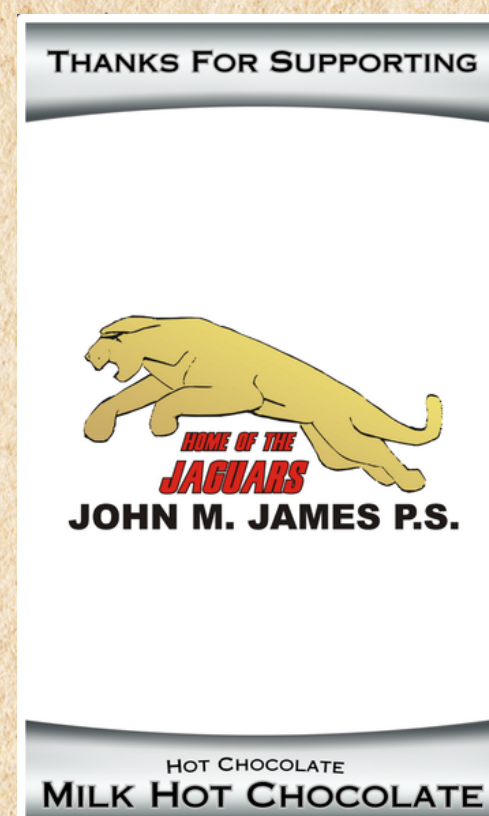

WHY COFFEE?

The question is...why not?

- **NO minimum orders or commitment!**
- **Quick turnaround! Upon completion of your fundraiser, we typically ship your order to you within a week.**
- **Customized packaging! This is what really sets us apart. A product with your images or graphics is easier to sell to your friends and family, and your group members will be proud to offer their very own coffee!**
- **Coffee is more popular than tap water in Canada, with 71% of Canadians drinking coffee daily!**
- **Earn \$5.00 per item sold! Whether it's our coffee, tea, hot chocolate or K-Cups, your group earns a great profit!**

EASY TO MANAGE

Run your fundraiser fully online! We'll create a dedicated website just for your group! Supporters can purchase directly and pay with a credit card, PayPal or Apple Pay! Once your fundraiser is done we'll package each order individually and all you have to do is hand them out.
